

## Press Release

Dornbirn, 28 May 2019

01

### **Zumtobel Group congratulates long-serving employees on 5,800 years of loyalty to the company**

Dornbirn, Austria – As a way of thanking all long-serving employees for a combined total of about 5,800 years of service and loyalty to the company, the Zumtobel Group held a jubilee celebration on 24 May 2019. 262 employees of the Zumtobel Group and its brands celebrated the occasion at a festive evening at Cubus in Wolfurt. This event marks the fifth year of the company tradition of honouring all long-serving employees at a joint celebration.

*“We would like to express our sincere thanks to our long-serving employees with this celebration. With their expertise and commitment, they provide the foundation for our company’s success. We are proud to have so many employees who have been loyal to us for many years. With their experience and their knowledge, they provide an important basis for our new generations to build on and act as role models,”* says **Alfred Felder, CEO Zumtobel Group**.

This year, the milestones started with 10-year service anniversaries, continuing in 5-year increments up to four employees who have been loyal to the company for 45 years. A strong “midfield” was represented by 59 20-year service anniversaries and 65 employees who have been with the company for 30 years. In addition to the Zumtobel Group management and the members of the works council, line managers as well as the partners of the honourees were invited to join the celebration.

**Mario Kempf, Department Manager of the Vorarlberg Economic Chamber**, and **Hubert Hämmerle, President of the Vorarlberg Chamber of Labour**, were welcomed as guests of honour. After the official part and the festive dinner were concluded, the evening ended with music and conversations.

## **About Zumtobel Group AG**

The Zumtobel Group is an international lighting group and a leading supplier of innovative lighting solutions, lighting components and associated services. With its core brands, Zumtobel, Thorn and Tridonic, the Group offers its customers around the world a comprehensive portfolio of products and services. The Group's know-how about the effects of light on people, acquired over decades, forms the basis for the development of innovations and for accessing new fields of business. In the lighting business, the Group with its Thorn and Zumtobel brands, is one of the European market leaders. Through its lighting components brand, Tridonic, the Zumtobel Group plays a leading role worldwide in the manufacture of hardware and software for lighting systems (LED light sources and LED drivers, sensors and lighting management). The Zumtobel Group's service offering is one of the most comprehensive in the entire lighting industry, including consultation on smart lighting controls and emergency lighting systems, light contracting, design services and project management of turnkey lighting solutions, as well as new, data-based services focused on delivering connectivity for buildings and municipalities via the lighting infrastructure. The Group is listed on the Vienna Stock Exchange (ATX Prime) and currently holds a workforce of roughly 5,900 employees. In the 2017/18 financial year, the Group posted revenues of EUR 1,196.5 million. The Zumtobel Group is based in Dornbirn in the Vorarlberg region of Austria.
